good vibes only

ADRIANNA

Self love starts with a good vibrator. You don't always need a guy to achieve sexual satisfaction. I just do what the little voice in my underwear tells me to. Then just when things are going great, a string of orange beads wants in on the action. And so when my pussy is full of good vibes, my butthole wants to welcome the pretty pearls. And you know I'm not the type of girl to say no.

RICK “SUPERDICK” JONES

The adventures of a well-hung, oversexed dude

Rick sat on the front porch listening to the sounds of revelry from the cocktail party inside. He wasn't invited. At 18 he was under the legal age for liquor, although he was bigger than most of the men at the party.

Suddenly a young female friend of his older sister came out on the porch. She seemed to be rather shaky. "Hello, Richard," she said. "I'm leaving. Would you like to walk home with me? I think I need someone to steady me. It's only six blocks."

When they reached her apartment she laughed lecherously. "Come on up with me, Dickie boy," she said. "I wanna show you something." Rick suddenly realized she was hot for him.

She put the key in the lock and opened the door to a beautifully furnished apartment. She then pushed some buttons on a wall panel and soft lighting suffused the room; music pulsed in a distant corner. She sank down on the long, thick-cushioned couch, kicked off her shoes and slid out of her dress.

Rick came over and knelt beside her, running his hand up her naked arm, inhaling the warm scent of her body. He kissed her; her mouth opened hungrily to take his tongue. She drew him close against her breasts, rubbing them upon the rough finish of his denim jacket.

Pushing his hand under her bra, her nipple sprang up beneath his sweating palm. He pressed and rolled the little bud. Then he ripped off the bra and the big boobs fell forward, soft and plump as he knew they would be when he first saw her at the party. She was flushed and breathing faster now, pressing against him everywhere. He could tell how much she wanted it.

Rick stroked the inside of her thigh, moving up and over the bulge of flesh at the top of her leg. She widened her legs a little as he went on under her panties and into the soft, dewy folds of her flesh. She lifted

her behind and swung her hips encouragingly as he pushed his hand into the long, juicy slit, pressing his thumb on her clitoris.

She jerked up and cried out as he kept his thumb under the hood and felt the gland swell and stiffen. Then his fingers moved down the slippery groove and into her pussy. She squeezed tight, relaxed, and squeezed again. This is a good cunt, he thought, strong muscled, well lubricated, but he mustn't tease her too much longer. She was heaving and moaning as though she might come any second.

He dropped his pants and mounted her, his monstrous member nuzzling her hot pussy, his balls held between her closed thighs. He kissed her, raised himself a little, took her hand and placed it on his cock. This was his signal to her to guide him in.

"Oh, you," she laughed, grasping the thick shaft and placing the head upon her labia. "There, now push," she pleaded.

Rick obeyed, gave a thrust past the vaginal ring and stopped. She had gasped as she felt the sudden stretch, and then sighed happily as he entered her. He stayed only a moment then withdrew halfway and jabbed back

in again. Then he began to fuck seriously.

She responded magnificently. She drew up her knees, her thighs rubbing against his flanks. She then brought her hands down upon his ass cheeks and pressed him into her as her orgasmic contractions began. She came in a long, slow spasm and let her legs slide down, lying limp and panting in his arms. He wasn't finished with

down at the scene.

"Wow, you've got a thick one," she said. "I never felt it so tight before. What are you doing?"

He had pulled all the way out, had taken his dick in hand and was rubbing it vigorously on her clit. This produced an instant reaction; her second orgasm burst like a thunderclap. She screamed, writhed under him and jerked her ass up and down in a frenzied way; she arched her body suddenly, almost throwing him off. He held on, counting her contractions until she finished and fell back, limp and astonished to find the huge cock still hard inside her.

"You didn't come, did you?" she asked. "Oh my god, how insane! You're the first guy I ever fucked who stayed hard after my second orgasm. Stay inside me," she begged, although he had made no move to pull out. "You're amazing. Let's go for number three. Maybe you're multi-orgasmic too!"

"No way," he laughed. "I'm a slow comer by nature. Besides, I've been practicing holding back. I think I can stay hard as long as you want me to."

"Ha!" she said, "don't boast. Now let's change places for number three. I'm going to get on top and give you the best goddamn fuck you ever had."

He lay back on the couch, his cock standing up like the Washington Monument. She straddled his belly, ordering, "Keep your eyes open and you'll get a good view of what it looks like, seen from the other side. Now take hold, and put the head of your cock at the front door.

I'll bring him in."

He followed her instructions, staring wide-eyed at the wonders of her pussy in all its glory before him. She moved her hands down behind her, pulling her ass cheeks wide apart, and plunged down upon him, driving his cock far up into her yawning sex.

"Oooh! That hurt," she cried. "You sure got one hell of a hard-on. She wriggled a little to get a good fit, leaned over and kissed him on the mouth, her tits touching his naked chest, and started pumping her ass up and down, up and down, on the hinges of her knees.

"Don't you push up yet," she said. "Wait until I start to come. Then grab my ass and ram yourself up into me, balls and all." She was rocking up and down, back and forth, in a twisting sort of motion that gave him a sex thrill he'd never before experienced. To tell the truth, he hadn't expected too much. He'd tried it this way before, but the girl either didn't know how or didn't like it, and so couldn't really put her back into it, and it was a bust. But not this one: she handled her ass on his dick like a jockey winning the Kentucky Derby.

And she loved it, you could see. Humping hard now,

her yet; not by a mile.

He shifted his position slightly. She started up, crying, "Stay in! I'm about to come again." She laughed, "That's the way it is with me, the first one goes right on into the second and then on and on. I can't stop... three ... four ... five. Sometimes, if the fucking is good, seven ... eight ... nine until I pass out. I guess being multi-orgasmic is what makes me a nympho, although my therapist says that's not necessarily the case. Have you ever fucked a nymphomaniac before?" she asked, shifting positions.

"Well, no," he replied. "But I've been into some pretty wild ones, I can tell you. What's the difference?"

"All healthy women are potentially multi," she said, "depending on the way they're fucked. But nymphos are crazy, as you'll discover soon." She humped herself up to him, hard. He moved faster; he wanted to make this a good one. She took fire at once, moved her legs up and locked them over his back again, rocking herself to his rhythm. They were in sync and worked together beautifully. He could feel her tension mounting, slowed down a little, lifted himself on his elbows and pulled halfway out. She raised her head and looked

her vulva wide open to show her clit fully exposed, he reached over and nipped it between his thumb and forefinger.

"Eeeyah!" she cried, "that's crazy! Squeeze it! Pull it out! Roll it around!" She didn't realize she was screaming as she came for the third time.

He remembered to seize her ass and pull himself up into her; they banged together until she'd pumped herself out and fell forward on him, limp and exhausted, still holding his throbbing cock tight and hard in her cunt. Finally she came to and cried, "Oh, you didn't come! Fuck, why didn't you? We can't go on like this. Can't you make yourself come? You've got to get it down and go home; I've got to get some sleep!"

"Okay," he said slyly. "I'll jerk off and bring it down." He pulled out of her, rolled over and stood by the side of the bed. "But I thought you said you were multi-orgasmic; that you could go for a dozen ..." He grabbed his dripping shaft and began pumping into his hand.

"No! No!" she cried, leaping from the bed. "Don't do that. I am multi, I can come forever. But I thought you couldn't make it and you'd resent me. No guy I'd ever fucked has stood through three orgasms. Now we're going to have a little more variety."

She turned her back on him, bent over with her fingertips touching the floor, her gorgeous ass wide open, her pussy gaping like a dark tunnel.

"Shove it in me, Rick," she panted. "Let's do this one doggie-style, the way they used to do it."

He entered her from behind. The height of her cunt from the floor was exactly right for him and he drove in hard, gripping her in front, his balls knocking against the back of her thighs. He decided to let himself come this time, ejaculating in great scalding jets that rocked her on her heels, the last one sending her sprawling onto the floor. She lay there, laughing now and taunting him.

"Aha!" she said. "So you couldn't hold him back for another one. Too bad; five's a magic number ... and number six ..." She fell over on the bed and curled up in the fetal position.

He knelt beside the bed and took her in his arms. She kissed him, rubbed her cheek against his. He felt a wetness; she was crying. "What is it?" he asked. "Tell me, please."

"Oh, honey," she wept. "It's another orgasm. I feel it coming and I want it so. Oh, why am I like this? I badly haven't stopped coming since you first shoved it inside me. It's always like this ... oooh! It's coming and I can't stop it. Feel me!"

She took his hand and thrust his fingers into her sopping-wet pussy. He could feel the throbbing inside, her cunt muscles squeezing. His dormant snake then

came to life and lifted its sleepy head, as renewed desire stirred in his balls. "Shall I?" he asked.

"No! No!" she cried, "I want it badly, but it wouldn't satisfy me. I remember the first time I did it," she recalled. "It was in the back of a car after a high school dance. I started to come the instant he touched me and I couldn't stop. We were scared to death; I've been to the all the doctors and therapists. They say there's nothing wrong; maybe just a little too much estrogen. And you'd think the guys would like it, wouldn't you? They do the first time, but they never come back. I guess it must be too much for their fragile male egos."

She shivered, suddenly hugging him to her. "It's coming now, keep your hand in there, frig me hard ...

ooooh!" She shook convulsively as the orgasm racked her body. Suddenly she collapsed in his arms, out like a light.

Rick held her tightly and comforted her, stroking her arm, talking to her, telling her how much he loved being with her, how it was going to be all right. She relaxed; the spasms ceased. She said quietly, "It's over now. But wasn't it awful! Like Jekyll and Hyde. You can get dressed now and go home. I'll call you as soon as I get worked up like this again."

Rick walked home slowly through the dark streets, wondering if she called him whether he would go. He thought of her naked in his arms, her nipples pressing into his chest, her pussy squeezing his fingers, the hot, musky scent of her sex in his nostrils. He hesitated; maybe he should have stayed for yet another orgasm. He was sure he could have handled it. But where would it end?

weekend ass play

LENA

Fucking has always been my favorite past time (but I love it during the week, too). I've always used sex as a 'stress relief' after a long week. When I'm feeling horny, I just want to be licked, sucked, touched and fucked all over my body... inside and out! It takes a very special kinda guy to keep up, like a real weekend warrior.

CANDICE

I know guys find my booty irresistible. When I'm with my girlfriends walking through the mall, it's always quite a show. Guys are always trying to get my attention by waving at me to go over to them or grabbing my hand. Once some dude put his whole hand through the hole in my jeans to grab my ass. My girlfriend gave him a knee to the nuts!.

UNDER A SPELL

Makes me wonder if it was all a dream

Halloween is always my favorite time of year, and last year gave me an experience I'm still not entirely sure was real. I landed an invitation to an exclusive party at one of the old manors in town; one of those places with a perfect Halloween legend. I picked out my finest blood red dress that sat off the shoulders and dipped down over my chest to show off my generous cleavage. I had my hair done in long, full waves of raven black that trailed past my shoulders, and a pair of heels that only added to my 6-foot frame.

On Halloween night, I arrived in a dense sea of fog to see the mansion given the full haunted treatment, with candles glistening on the old banisters, and dozens of servants dressed in old tuxedos and dresses, which only allowed the few guests to shine out even more. I made my way inside, also lit by candlelight alone.

The shadows were eerie and ominous, which only drew me in deeper to the large ballroom where the guests had gathered. And there, at the front of the room, sitting on a large throne on a raised platform, he sat. Fair skinned but flush, with short black hair, swirling a glass of wine as he watched his guests assemble with an expression that almost looked of boredom.

Yet, when my dark eyes captured his, it was suddenly as if we were the only two people in the room. Slowly, he stood, setting his wine down on the chair's armrest, and walking out into the crowd. For each step he took, I took the same, almost as we were mirroring each other walking across this great distance of time and space. As we approached each other, he held out a long hand for me to take.

I didn't think twice as I reached out for his hand, and we both turned as he led me back off the ballroom floor and towards a long hall and eventually, private quarters. The room was gothic and dark, with the only light coming from candles. In the center, a large bed, covered in blood red sheets. He led me to the bed and slow-

...those eyes were hovering over me as he positioned himself on top to slide his dick inside. A chill rushed through me as he penetrated my starving pussy...

ly lay me down before standing up, looking at, admiring me in the candlelight.

He took his time, like a man looking to savor his meal. Under his gaze, I slid myself out of my dress. The man didn't say a word, didn't need to. Just his look, just his eyes had the power to tell me what he wanted done, and I had no power to disobey. I lay there for him, a trophy to use and admire as he wished. And he first wished to show me how much he cared.

I watched as he slowly lowered himself down to my lips and gently kissed me in a way that left me wanting more as his lips trailed away from mine, sliding down my cheek and toward my neck. I turned my head, giving him a clear view as I felt his teeth slide gently but firmly into my flesh. My breathing picked up and my resistance fell even further on feeling his cold breath in my veins.

He didn't linger long; only a moment, before he pulled back up and started taking off his own clothes piece by piece. I gasped, sensing what was coming, powerless to stop it. His skin was flawless, smooth, and toned.

I wanted to get up, wanted to reach out for him, but I found that I couldn't move; I could only watch, watch and long for what he might be able to give me, a certainty I was surer of as he slid out of his tight black slacks to reveal a long, slender dick that was already hardened and ready for me.

As he approached, I felt myself gasping for air, but his eyes told me not to worry. I trusted those eyes for reasons I still can't explain. And in moments, those eyes were hovering over me as he positioned himself on top to slide his dick inside. A chill rushed through me as he penetrated

my starving pussy, and I let out a soft moan. My body, when it moved, did so on its own, the raw response to pleasure the only thing it seemed able to do.

But that pleasure was intense as he pressed himself deeper, harder, and faster. I felt each thrust, the determination as strong in his hips as it was in his eyes. How long he took, I don't know and really didn't care. I was in absolute bliss, and eventually found a way to wrap my arms and legs around him, becoming one body and form. He picked me up off the bed with incredible strength and bounced me on his cock, finally letting himself show some emotion as he neared his climax. I let out a loud scream, one of pure pleasure as I felt him flood my insides.

He slowly lowered me to the bed and laid down with me through

the night, the party forgotten. I didn't know him, but I knew that there, in his arms, I was safe. However, in the morning, I woke to find myself naked and alone in the bed, free from the hypnotic spell from the night before. And at my side, where he had been the previous night, was a single rose, left to make me wonder if it really happened, or if it had all been a dream.

I see you looking at my sweet sex. I've been dancing for a couple of years and I can usually tell when the guy I'm dancing for is about to pop his load. Once while giving a lap dance to this guy in the champagne room, I was grinding my ass on him so hard that after he came he had to call his roommate to bring him a new pair of pants.
